Community Manager

Jalingo

elizadave6@gmail.com

+234 806 442 1558

Experienced and dedicated community manager with a 3 years proven track record in technology and community building. Eager to apply leadership and expertise to dynamic initiatives like the Digital Public Goods open source program. Passionate about cultivating growth and engagement within tech communities, I am committed to leveraging my skills to foster vibrant talent ecosystems and drive positive impact within forward-thinking organizations.

Work Experience

Community Manager

Sandlip Digital Consulting-Jalingo

January 2023 to Present

- Successfully organized and co-hosted three impactful events, including a tech expose, a tech experience, and the Taraba Hackathon, in collaboration with the Ministry of Digital Economy and Innovation, Taraba State.
- Revived the tech space in Jalingo, Taraba State, through strategic community engagement and outreach initiatives.
- Developed and implemented content strategies to drive community engagement and brand awareness.
- Provided technical support and guidance to community members, addressing inquiries and concerns.
- Collaborated with cross-functional teams to ensure smooth communication and community growth.

Women Techmakers Ambassador

Google Developers Group-Bauchi
